**Leading Beauty Trade, News Website and
Media Marketing and Event Support**

www.irishbeauty.ie

Irish Beauty has 20 years' heritage reaching an ever-growing, highly targeted database of verified and insured professionals, training schools, colleges and students.

Our position within the industry enables us to offer highly successful marketing opportunities with statistically proven results through the Irish Beauty news and event website, social media and digital channels.

Regarded as the most attended annual beauty trade event in Ireland, Irish Beauty recently partnered with Professional Beauty and Hair to offer on going marketing support.

**ABT's Membership Magazine,
Industry News Website and Media
Marketing Support**

www.beautyandhairdressing.co.uk

BeautyandHairdressing.co.uk website and magazine is here to assist you in strengthening your brand's marketing strategy. The very nature of our database means we can identify, extract and communicate with verified and insured industry professionals, training schools and students. Efficiently ensuring your marketing campaign engages with the people most beneficial to your company... your key clients.
